Att. Mr. Sabino Caldarola

Barcelona, 28/04/2015

Subject: Involvement in the ITER project

To whom it may concern

Fusion for Energy, the European Domestic Agency for ITER, hereby declares that the company Acciaierie Valbruna SpA is working on the ITER Project, as a subcontractor to Consortium AMW (Ansaldo Nucleare SpA, Mangiarotti SpA and Walter Tosto SpA).

Fusion for Energy has granted the said Consortium, in 2010, a contract for the fabrication of 7 sectors of the ITER Vacuum Vessel. F4E confirms that Acciaierie Valbruna is working as raw material supplier for the AMW consortium in the framework of the mentioned contract.

Yours sincerely,

Francesco Zacchia
Vacuum Vessel Project Team Manager
